- made by—
- (i) the member;
 - (ii) a participating employer of the member, on behalf of the member; or
 - (iii) a person other than a participating employer of the member, in respect of the member; or
- (b) to a participating employer of the member, where the contributions were made by the employer in respect of the member.
- (8) In the case specified in paragraph (9)(a), the Trustee must provide a refund of all contributions made by, or on behalf or in respect of, the member, to the participating employer with respect to which the notice was given.
- (9) The specified cases are where—
- (a) the member has given notice under—
 - (i) in Great Britain, section 8 of the Act(a); or
 - (ii) in Northern Ireland, section 8 of the NI Act(b);
 - (b) the Trustee determines that the contributions have been paid in error; or
 - (c) the Trustee otherwise determines that a refund is appropriate in all the circumstances.
- (2) The figure in paragraph (1) is based on the average earnings index for December 2005.
- (3) The annual contribution limit must be adjusted by the Trustee in accordance with changes in the average earnings index—
- (a) on the first occasion, at any time before the first day on which contributions are paid to the Scheme by, or on behalf or in respect of, members of the Scheme; and
 - (b) by the start of every subsequent tax year.
- (4) The Trustee must—
- (a) pursuant to paragraph (2), calculate the annual contribution limit, following any relevant provision relating to calculation contained in rules where such provision is made; and
 - (b) publish that limit in any document considered appropriate by the Trustee.
- (5) The Trustee may determine that paragraph (1) does not apply to a member or class of member, in relation to a particular tax year.
- (6) In this article, “average earnings index” means the general index of average earnings (for all employees: whole economy: seasonally adjusted) published by the Office for National Statistics or, if that general index is not published for a month for which it is relevant for the purposes of this article, any index or index figures published by that Office in substitution for that general index.

Part 5

The Scheme Fund

Annual contribution limit

22.—(1) Subject to the following paragraphs, the maximum amount of contributions which may be made by, or on behalf or in respect of, a member of the Scheme in a tax year (a) (“annual contribution limit”) is £3,600.

Annual contribution limit: meaning of contributions

23.—(1) For the purposes of counting towards the annual contribution limit in article 22, “contributions” means any contributions made by, or on behalf or in respect of, a member of the Scheme and in particular—

- (a) contributions made to the Scheme by a

- participating employer, on behalf or in respect of a member of the Scheme, which satisfy the quality requirement for a money purchase scheme (“minimum contributions”)—
- (i) in Great Britain, under section 20 of the Act; or
 - (ii) in Northern Ireland, under section 20 of the NI Act; and
- (b) any additional contributions in excess of those made under sub-paragraph (a), made to the Scheme in relation to a member of the Scheme which are more than 8% of the amount of the member’s qualifying earnings in the relevant pay reference period.
- (2) But for the same purposes “contributions” do not include—
- (a) a cash transfer sum—
 - (i) in Great Britain, within the meaning of section 101AB(3) of the Pension Schemes Act 1993(b), used in the way described in section 101AE(2)(a) of that Act; or

 - (b) the discharge by the trustees or managers of a scheme of their liability in respect of a pension credit—
 - (i) in Great Britain, to which Schedule 5 to the 1999 Act applies; or
 - (ii) in Northern Ireland, to which Schedule 5 to the 1999 Order applies,
 - (c) any other transfer of any sum held for the
- purposes of, or representing accrued rights under, a pension scheme so as to become held for the purposes of, or to represent rights under, the Scheme;
- (d) any payment of contributions refunded—
- (i) in Great Britain, in accordance with requirements prescribed under section 8(2)(b) of the Act; or
 - (ii) in Northern Ireland, in accordance with requirements prescribed under section 8(2)(b) of the NI Act;
- (e) any payment of contributions made pursuant to a compliance notice issued to a person—
- (i) in Great Britain, under section 35 of the Act; or
 - (ii) in Northern Ireland, under section 35 of the NI Act,
- where the appropriate date to which that notice relates is not in the same tax year as that in which the payment of contributions pursuant to the notice takes place;
- (f) any payment of contributions made pursuant to an unpaid contributions notice—
- (i) in Great Britain, issued to an employer under section 37 of the Act; or
 - (ii) in Northern Ireland, issued to an employer under section 37 of the NI Act,
- where the appropriate date to which that notice relates is not in the same tax year as that in which the payment of contributions pursuant to the notice takes place;
- (g) any payment of contributions made pursuant to a third party compliance notice issued under—
- (i) in Great Britain, section 36 of the Act; or

(a) Regulations made under section 8 of the Act are regulations 9 to 11 of S.I. 2010/772.
 (b) Regulations made under section 8 of the NI Act are regulations 9 to 11 of S.R. 2010 No. 122.
 (a) “Tax year” is defined in section 99 of the Act and in section 78 of the NI Act.

(b) 1993 c.48. Sections 101AB and 101AE were inserted by the Pensions Act 2004 (c.35), section 264., (a) 1993 c.49. Sections 97AB and 97AE were inserted by the Pensions (Northern Ireland) Order 2005 (S.I. 2005/255 (N.I. 1)), Article 241.

- (ii) in Northern Ireland, section 36 of the NI Act, where the payment of contributions under that notice is not in the same tax year in which those contributions were first payable;
- (h) any contributions payable by a participating employer under any provision of—
- (i) in Great Britain, Chapter 1 of Part 1 of the Act; or
- (ii) in Northern Ireland, Chapter 1 of Part 1 of the NI Act,
- where the contributions are not paid in the same tax year in which those contributions were first payable;
- (i) any contributions not made to the Scheme on or before the due date, where the tax year in which that due date falls has already ended, unless the Trustee determines otherwise;
- (j) any payments made in error which are refunded by the Scheme;
- (k) any contributions which are refunded under article 24 in respect of the same tax year in which those contributions were made; or
- (l) any sum which exceeded the annual contribution limit as a result of the member of the Scheme being in multiple employment within the meaning of article 26, provided that such sum consists of contributions made by a participating employer either on behalf or in respect of that member of the Scheme.
- (3) For the purposes of paragraph (2)(b), the specified action is—
- (a) conferring appropriate rights under that scheme on a person entitled to the credit; or
- (b) paying the amount of the credit to the person responsible for a qualifying arrangement with a view to acquiring rights under that arrangement for the person entitled to the credit.
- (4) In this article—
- (a) “appropriate date” has the same meaning—
- (i) in Great Britain, as in section 38(5) of the Act; or
- (ii) in Northern Ireland, as in section 38(5) of the NI Act;
- (b) “due date” means the date on or before which payment of a contribution is to be made; and
- (c) “relevant pay reference period” has the meaning given in regulations made under—
- (i) in Great Britain, section 15(1) of the Act; or
- (ii) in Northern Ireland, section 15(1) of the NI Act.
- Annual contribution limit: refund of excess contributions**
- 24.—**(1) This article applies in relation to contributions made in any tax year in excess of the annual contribution limit for that year.
- (2) Subject to paragraph (2) of article 26, contributions made to the Scheme in excess of the annual contribution limit by—
- (a) a member of the Scheme;
- (b) a participating employer on behalf of a member of the Scheme; or
- (c) a person other than a participating employer of a member of the Scheme, in respect of a member,
- must not be applied to the member’s pension account in respect of that same tax year and may be refunded to the member.
- (3) Contributions made to the Scheme (in excess of

- the annual contribution limit) by a participating employer in respect of a member of the Scheme may be refunded to the employer but only once contributions by—
- (a) the member;
- (b) a participating employer on behalf of the member; or
- (c) a person other than a participating employer of the member, in respect of the member,
- have already been refunded under paragraph (2).
- (4) The Trustee may determine not to refund contributions under this article if the annual contribution limit is exceeded by an amount determined by the Trustee to be disproportionate to the cost of making a refund.
- (5) In the event that contributions have already been applied to a member’s pension account (whether or not in error), the Trustee may determine that contributions be—
- (a) retained in the member’s pension account;
- (b) refunded to the member; or
- (c) refunded to the participating employer.
- Timing of contributions**
- 25.** All contributions counting towards the annual contribution limit are to be treated as made to the Scheme when they are received by the Trustee.
- Multiple employment**
- 26.—**(1) A person is in multiple employment during a tax year if during that year—
- (a) they are a member of the Scheme;
- (b) they are in employment with more than one participating employer; and
- (c) more than one of those participating employers makes contributions to the Scheme on behalf or in respect of that person.
- (2) Where a person is in multiple employment, the Trustee may continue to accept contributions (including minimum contributions) made by a participating employer on behalf or in respect of that person, even if such contributions are made in excess of the annual contribution limit.
- (3) Where paragraph (2) applies, the Trustee—
- (a) must retain contributions of an amount equal to minimum contributions made by a participating employer on behalf or in respect of the member which exceed the annual contribution limit, and must apply those contributions to the member’s pension account; and
- (b) may refund any contributions in excess of the amount referred to in sub-paragraph (a) to either a participating employer or the member.
- (4) For the avoidance of doubt, nothing in this article affects the operation—
- (a) (i) of, in Great Britain, section 20 of the Act; or
- (ii) of, in Northern Ireland, section 20 of the NI Act; or
- (b) of paragraph (1)(a) of article 23.
- (5) In this article, “minimum contributions” has the same meaning as in article 23(1)(a).
- Deductions from members’ accounts**
- 27.—**(1) The Trustee must make deductions from members’ pension accounts to contribute to the general costs of the setting up, administration and management of the Scheme.
- (2) The Secretary of State must determine the

- method of calculating how to make deductions during an initial period and for how long that initial period applies.
- (3) After the initial period, the Trustee may determine subsequent methods of calculating how to make deductions.
- (4) The Trustee must determine the level of deductions to be made from members' pension accounts, using the method of calculation determined by the Secretary of State or the Trustee thereafter.
- (5) Subject to paragraph (6), the Trustee must set the deductions at a level that—
- (a) meets the general costs of the setting up, administration and management of the Scheme; and
- (b) allows it to maintain such reserve as it reasonably considers is needed in order to ensure that the Trustee is able to meet its costs where there are unexpected changes in income to, or costs payable by, the Scheme.
- (6) In determining the level, the Trustee must have regard to any other sources of income to, and costs payable from, the Scheme.
- (7) The Trustee may make further deductions from members' pension accounts to meet the costs of providing a service with respect to members' pension accounts in a particular case or class of case.
- (8) In determining a method of calculating how to make deductions, determining the level of deductions under paragraph (4) and making deductions under paragraph (7), the Secretary of State or the Trustee, as the case may be, must ensure that—
- (a) deductions will be applied on a consistent basis between members' pension accounts; and
- (b) a pension account of a member of the Scheme (A) will not be subject to a different level or amount of deduction to another member's pension account solely on the basis of—
- (i) where A is a worker, the number of persons who are or may in the future become members of the Scheme and workers in relation to A's employer;
- (ii) the amount of time during which contributions may be made by, or on behalf or in respect of, A;
- (ii) where A is a worker, the amount of time during which contributions may be made by, or on behalf or in respect of, other persons who are or may in the future become members of the Scheme and workers in relation to A's employer;
- (iv) the income that is, or may in the future be, earned by A; or
- (v) where A is a worker, the income that is or may be earned by other persons, as referred to in paragraph (9), or solely on the basis of more than one of paragraphs (i) to (v) above, in any combination.
- (9) The income referred to is income that —
- (a) is, or may in the future be, earned by other members of the Scheme who are workers in relation to A's employer; or
- (b) may in the future be earned by other persons who may become members of the Scheme and workers in relation to A's employer,

- (10) Where the Secretary of State—
- (a) has given financial assistance in the form of a loan to the Trustee pursuant to paragraph 18 of Schedule 1 to the Act for the purposes of setting up, administering and managing the Scheme and such assistance is still ongoing; and
- (b) is of the opinion that the level of deductions under paragraph (4) is, or the deductions under paragraph (7) are, unreasonably high in the circumstances, having regard in particular to the principle that the cost of participation in the Scheme to members should be minimised,
- the Secretary of State may determine an upper limit to the level of deductions under paragraph (4) or deductions under paragraph (7) that may be made from members' pension accounts.
- (11) Where the Secretary of State—
- (a) has given financial assistance in the form of a loan to the Trustee pursuant to paragraph 18 of Schedule 1 to the Act for the purposes of setting up, administering and managing the scheme and such assistance is still ongoing; and
- (b) is of the opinion that the trustee is in breach of any condition of the loan,
- the Secretary of State may determine a lower limit to the level of deductions under paragraph (4) or deductions under paragraph (7) that may be made from members' pension accounts.
- (12) Where the Secretary of State determines an upper limit, the Trustee may not exceed that limit in the level of deductions it determines or the deductions which it makes.
- (13) Where the Secretary of State determines a lower limit,
- the Trustee must determine a level of deductions, or make deductions, at or above that limit.
- (14) Where the Secretary of State determines an upper or lower limit—
- (a) the Secretary of State may make a further determination removing that limit; and
- (b) on the date any financial assistance given or ongoing for the purposes of paragraphs (10) and (11) is repaid to the Secretary of State, such a further determination shall be deemed to have been made removing that limit.
- (15) The Trustee must consult with the members' panel before—
- (a) determining subsequent methods of calculating how to make deductions, as referred to in paragraph (3); or
- (b) making changes to the level of deductions from members' pension accounts under paragraph (4) or to deductions under paragraph (7).
- (16) The Trustee must make available the information specified in paragraph (17) by placing it on the internet.
- (17) The specified information is information about—
- (a) the method of calculating how to make deductions, determined under paragraph (2), and any subsequent method of calculating how to make deductions, determined under paragraph (3); and
- (b) the level of deductions determined under paragraph (4) and any deductions made or to be made under paragraph (7), as they have effect from time to time.

Power to invest the Scheme's assets

28.—(1) The Trustee has the power to invest all the assets of the Scheme.

(2) Subject to paragraph (3), for the purposes of this power, the assets of the Scheme include—

- (a) contributions as referred to in article 21(2);
- (b) any other monies received by the Trustee, including under articles 30 and 31; and
- (c) returns from any investments of assets referred to in sub-paragraph (a) or (b).

(3) For the purposes of this power, the assets of the Scheme do not include any financial assistance given to the Trustee pursuant to paragraph 18 of Schedule 1 to the Act.

(4) Without prejudice to the generality of the power conferred on the trustees of a trust scheme—

- (a) in Great Britain, under section 34 of the Pensions Act 1995 **(a)**; or
- (b) in Northern Ireland, under Article 34 of the Pensions (Northern Ireland) Order 1995**(b)**,

(3) From time to time, the Trustee may make different arrangements (including closing, withdrawing or terminating the availability of any investment funds).

(4) The Trustee must, subject to the provisions in the following paragraphs, direct assets of the Scheme to at least one investment fund.

(5) Where a member of the Scheme does not express a choice as to where assets of the Scheme attributable to their pension account are to be directed, the investment funds to which those assets of the Scheme are directed shall be known as default investment funds.

(6) Any assets of the Scheme which the Trustee has the power to invest are to be invested by the Trustee in at least one default investment fund, except where—

(a) the member of the Scheme expresses a choice that assets of the Scheme attributable to their pension account be directed to an investment fund other than a default investment fund, in which case paragraph (7) applies;

(b) contributions are made to the member's pension account during the period prescribed in regulations—

- (i) in Great Britain, made by virtue of section 8(5)(b) of the Act; or
- (ii) in Northern Ireland, made by virtue of section 8(5)(b) of the NI Act;

(d) the Trustee decides to invest the assets of the Scheme in cash or on deposit in circumstances where liquid reserves are required for the purposes of the Scheme,

and where sub-paragraph (b), (c) or (d) applies, assets of the Scheme are to be invested as the Trustee determines.

(7) Where a member of the Scheme expresses a choice as to where assets of the Scheme attributable to their pension account are to be directed—

- (a) the Trustee may determine—
 - (i) the form in, and method by, which a member expresses that choice;
 - (ii) any limits on the number of occasions on which a member may express that choice; and
 - (iii) the number of investment funds to which assets of the Scheme may be directed, having regard to the value of the assets of the Scheme attributable to a member's

pension account; and

(b) subject to the member's choice complying with any determination made by the Trustee for the purposes of sub-paragraph (a), the Trustee must accept that choice unless the Trustee is of the opinion that in doing so it would breach any of its legal obligations, including those imposed—

Article 5 provides for the involvement of the members’ panel (that is to be established by arrangements under article 6) in the appointment of a member or chair of the Corporation.

Article 6 requires the Trustee to make arrangements for consulting members of the Scheme and employers admitted to participation in the Scheme (“participating employers”) about the operation, development or amendment of the Scheme including the establishment and maintenance of a panel to represent members of the Scheme (“members’ panel”) and a panel to represent participating employers.

Article 7 provides for the timing for the establishment of the panels.

providing comments to the Trustee on any statement of investment principles and that the functions of the members’ panel are to include making an annual report on the extent to which the Trustee has taken into account the views of members of the Scheme.

Article 9 provides for reasonable payments to be made to members of the panels.

Articles 10 to 12 provide for the disclosure of data by the Trustee to the Secretary of State in specified circumstances.

Article 13 provides for the exclusion of the liability of the Trustee, and its members and staff, for certain acts and omissions in connection with the administration and management of the Scheme and enables the Trustee to indemnify or insure itself, or its members or staff, against certain losses, costs or damages connected with the administration or management of the Scheme.

Article 14 enables the Trustee to take such steps as it considers appropriate for increasing awareness and understanding of the Scheme.

Article 15 enables the Trustee to make rules under section 67 of the Pensions Act 2008 (c.30) (“the 2008 Act”).

Article 16 provides that the Trustee Act 2000 (c.29) applies as if the Order and any rules made under section 67 of the 2008 Act were a trust instrument.

Article 17 requires the Trustee to place on the internet a copy of the annual report and accounts for the Scheme and associated documents.

Article 18 provides for the circumstances in which an employer may be admitted to participation in the Scheme including where an employer wishes to use the Scheme in order to comply with a duty on it under sections 2 to 9 of the 2008 Act (in Great Britain) or sections 2 to 9 of the Pensions (No. 2) Act (Northern Ireland) 2008 (c.13 (N.I.)) Article 25 provides that all contributions counting towards the annual contribution limit are to be treated as made to the Scheme when they are received by the Trustee.

Article 26 provides for the circumstances in which, where a member of the Scheme is in multiple employment, the Trustee may accept contributions that are in excess of the annual contribution limit and may refund such contributions to a participating employer or a member of the Scheme.

Article 27 provides for the Trustee to make deductions from members' pension accounts to cover the general costs of the setting up, administration and management of the Scheme and the costs of providing a service with respect to members' accounts in a particular case or class of case. It provides for the Secretary of State to be able, in certain circumstances,

to determine upper or lower limits to the level or amount of deductions that the Trustee may make, for the Trustee to consult the members' panel over the method of calculating, or the level or amount of, deductions and to make available information in relation to deductions.

Article 28 provides that the Trustee has the power to invest the assets of the Scheme, including the power to take certain specified actions by way of investment.

Article 29 provides for the Trustee to establish investment funds. It also makes provision for what the Trustee may and must do where a member of the Scheme expresses a choice as to where assets of the Scheme are to be directed.

Article 30 provides that the Trustee may accept a cash transfer sum in relation to a member of the Scheme. Such a sum represents the cash equivalent of that person's benefits from another scheme at the date on which a person's pensionable service in relation to the other scheme terminates.

Article 31 allows the Trustee to confer appropriate rights on a person entitled to a pension credit, where the credit derives from the Scheme, and to pay the amount of the credit to a person responsible for a qualifying arrangement. It also allows the Trustee to accept a payment of a pension credit from the trustees or managers of another pension scheme, where the credit relates to a member of the Scheme.

Article 32 provides for the benefits that the Trustee may provide using a member's pension account.

An assessment of the impact on business, charities and the voluntary sector of the provision made by this Order is included in the Impact Assessment relating to the legislation made under Part 1 of the Pensions Act 2008 (c.30) as a whole. A copy of this assessment has been placed in the libraries of both Houses of Parliament. - (b) in relation to Northern Ireland, section 2(1) (by virtue of section 2(3)), 3(2), 5(2) or 7(3) of the 2008 NI Act,

the Participating Employer shall pay and the Trustee shall accept such contributions as may be required in order for the Scheme to meet the quality requirement referred to in section 20(1) of the 2008 Act (or section 20(1) of the 2008 NI Act) in relation to the Member, having regard to the contributions being paid by the Member under Rule 9.1.

- 8.1.3 The date on which:
 - (a) a person is admitted to Membership in relation to an employment; or
 - (b) Contribution Arrangements are to be regarded as having been made in relation to an employment in respect of a person who is already a Member, (being the date on which that person becomes an active member of the Scheme in relation to that employment for the purposes of Part 1 of the 2008 Act or Part 1 of the 2008 NI Act (as applicable)) shall be such date as the Trustee shall determine and notify to that person, but such admission or the making of Contribution Arrangements shall be with effect from the relevant date set out in Rule 8.2.

 - (c) before the person's Pension Account is closed in accordance with Rule 8.1.4, one or more Contribution Arrangements are made in respect of the person in relation to any other employment or a case as described in article 19(4) of the Order; and
 - (d) if such Contribution Arrangements:

9.2 Admission under article 19(2) of the Order

- 9.2.1 Each Member who is admitted to Membership or in respect of whom the Trustee makes Contribution Arrangements because the Member's Employer has elected to use the Scheme under articles 18(3) and 19(2) of the Order, must during the Pre-Duty Period pay contributions as required to ensure that, having regard to the contributions paid by the relevant Participating Employer under Rule 7.1.2, the requirement set out in section 29(1)(b) of the 2008 Act (or section 29(1)(b) of the 2008 NI Act in relation to Northern Ireland) is met.

9.5 Subsequent changes

Contributions shall be paid by reference to the Joining Event currently applicable to that Member (whether on first admission to Membership or due to the subsequent making of Contribution Arrangements by the Trustee).

9.6 Family Leave

9.7 Finance Act 2004: Refund of excess contributions lump sum

- 9.7.1 Subject to Rule 9.7.2, the Trustee may pay a lump sum to a Member from that Member's Pension Account to the extent that the lump sum is a refund of excess contributions lump sum as defined in paragraph 6 of Schedule 29 to the Finance Act 2004.

- 9.7.2 The Trustee must ensure that any payment which it makes under Rule 9.7.1 does not prevent the Scheme from satisfying the quality requirement under section 20 of the 2008 Act or section 20 of the 2008 NI Act.

10. Third party contributions

A person other than a Participating Employer or the Member may pay, and the Trustee shall accept, contributions in respect of a Member and, subject to articles 22 to 26 of the Order such contributions shall be applied to the credit of the relevant Member's Pension Account.

- 11.3 Each Member's Pension Account shall be maintained by the Trustee solely for the purpose of calculating the benefits payable to and in respect of the Member concerned, and no Member shall have a proprietary right to any of the investments for the time being representing the balance of the Member's Pension Account.

- 11.4 The Trustee shall establish and maintain an account, to be known as the General Account, to which Scheme monies not attributable to a Member's Pension Account shall be allocated. The Trustee may transfer an amount from a Member's Pension Account to the General Account in such cases as may be provided for in these Rules or where the Trustee determines that such a transfer is appropriate in order to correct any error giving rise to a windfall gain in a Member's Pension Account. The General Account shall be used for such purposes of the Scheme as the Trustee may determine.

12. Ceasing payment of contributions

12.1 Right to opt-out

- 12.1.1 Those Members whose most recent Joining Event was Automatic Enrolment, Automatic Re-enrolment or Opt-in may give notice:
- in relation to Great Britain, in accordance with section 8 of the 2008 Act; or
 - in relation to Northern Ireland, in accordance with section 8 of the 2008 NI Act,
- at any time within the Opt-out Period.
- 12.1.2 On giving notice under Rule 12.1.1 to opt-out of the Scheme, section 8(2) of the 2008 Act or section 8(2) of the 2008 NI Act (as applicable) shall apply. Any refund of contributions pursuant to section 8(2)(b) of the 2008 Act or section 8(2)(b) of the 2008 NI Act (as applicable) shall be refunded in such manner as the Trustee shall determine.

12.2 Right to cease payment of contributions

- 12.2.1 Without prejudice to Rule 12.1 any Member may at any time give notice to the Trustee in such form and in such manner as the Trustee may determine to cease paying contributions to the Scheme. If the Member's notice is to cease paying contributions under Rules 9.1 or 9.2, then from the date that such notice takes effect, any corresponding obligation on the Member's Employer to make contributions under Rules 7.1.1 or 7.1.2 will also cease.
- 12.2.2 A Member who gives notice under Rule 12.2.1 may subsequently and from time to time recommence the payment of contributions in accordance with Rule 9 where any of those provisions apply. If Rule 8.2.2 applies in relation to that Member on such recommencement, the obligation on its Participating Employer to contribute under Rule 7.1.1 will also recommence. There shall be no restriction on the number of times that a Member can cease and recommence paying contributions to the Scheme.

13. Entitlement to benefits under the scheme

A Member shall be entitled to benefits under the Scheme in respect of the Member's Pension Account payable in accordance with Rules 16, 18 or 23 but subject to Rules 4.3, 4.4, 4.5, 4.6, 12 and 17.

14. Annual contribution limit

14.1 Calculation of the Annual Contribution Limit

For the purposes of article 22(4) of the Order the Trustee must calculate the Annual Contribution Limit:

- 14.1.1 on the first occasion, by multiplying the figure set out in article 22(1) of the Order by the increase in the Average Earnings Index between December 2005 and the date closest to the date on which the Trustee makes the adjustment for which there is evidence of Average Earnings Index; and
- 14.1.2 on each subsequent occasion, by multiplying the Annual Contribution Limit calculated for the previous Tax Year by the increase in the Average Earnings Index between:
- (a) the date of the last Average Earnings Index used to calculate the Annual Contribution Limit; and
- (b) the date closest to the start of the following Tax Year for which there is evidence of the latest Average Earnings Index
- provided that if the Average Earnings Index does not increase, or decreases, in the relevant period, the Trustee shall deem the increase for that period to be nil and the Annual Contribution Limit for that Tax Year shall be the same as the Annual Contribution Limit calculated in respect of the previous Tax Year.

14.2 Other provisions in relation to the Annual Contribution Limit

- 14.2.1 The Trustee must round the Annual Contribution Limit calculated in accordance with Rule 14.1 up to the nearest £100.
- 14.2.2 The Trustee must publish the Annual Contribution Limit calculated in accordance with Rule 14.1 promptly (and in any event before the start of Tax Year for which it applies) in such form as the Trustee shall determine.

14.3 Refunds of contributions in excess of the Annual Contribution Limit

- 14.3.1 Refunds of excess contributions under article 24 of the Order may be made in such manner and at such time as the Trustee may determine. For the purpose of giving effect to the requirements of article 24 of the Order as regards to the order in which contributions may be refunded, the Trustee shall determine such arrangements as shall be consistent with the following principles (including arrangements for substitution or deemed substitution):
- (a) Minimum Contributions must not be refunded;
- (b) contributions made by a Member's Employer in respect of a Member shall count towards meeting the quality requirement referred to in section 20(1) of the 2008 Act (or section 20(1) of the 2008 NI Act) before contributions made by the Member's Employer on behalf of the Member; and
- (c) contributions made by a Member, contributions made by the Member's Employer on behalf of the Member and contributions made by a person other than the Member's Employer in respect of the Member shall be refunded to the Member before contributions made by the Member's Employer in respect of the Member are refunded to the Member's Employer.
- 14.3.2 No interest shall be paid on any refund of excess contributions under this Rule.

- 14.3.3 Where article 24 of the Order applies and the Member's Employer receives a refund of contributions made by or on behalf of a Member, that Member's Employer:
- (a) shall hold the refund on trust for the Member; and
- (b) must remit it to the Member as soon as reasonably practicable.

14.4 Other treatment of contributions in excess of the Annual Contribution Limit

- 14.4.1 The Trustee may reject any excess contribution which is not a Minimum Contribution paid to the Scheme by or on behalf of a Member if that contribution would or might result in the Annual Contribution Limit being exceeded in that Tax Year.
- 14.4.2 Where the Trustee does not refund excess contributions pursuant to article 24(4) of the Order or retains contributions pursuant to article 26(3)(a) of the Order it shall apply those contributions to the Member's Pension Account in the Tax Year in which those contributions are made as if the Annual Contribution Limit had not been exceeded.
- 14.4.3 Where the Trustee does not refund excess contributions and Rule 14.4.2 above does not apply, the Trustee may at the request of the Member apply those contributions (in so far as they relate to contributions made by that Member) to the Member's Pension Account in lieu of contributions otherwise payable by the Member in a subsequent Tax Year.

14.4.4 Excess contributions applied under Rule 14.4.3 will count towards the Annual Contribution Limit in the Tax Year in which they are so applied.

14.4.5 Rule 14.4.6 applies where:

- (a) in a Tax Year (referred to in this Rule and Rule 14.4.6 as the "Tax Year in question") a Member is a Jobholder in respect of whom the Member's Employer is paying contributions in accordance with Rule 7.1.1;
- (b) in the Tax Year in question the Trustee receives contributions from that Member's Employer on behalf of or in respect of the Member all or any part of which, having regard to contributions previously received by the Trustee and applied to the Member's Pension Account, constitute contributions in excess of the Annual Contribution Limit for the Tax Year in question;
- (c) the Trustee determines that such excess contributions may be or include Minimum Contributions; and
- (d) as at the end of the Tax Year in question all or part of the excess contributions have not been determined to be Minimum Contributions and applied in accordance with the other provisions of the Order and Rules relating to Minimum Contributions.

14.4.6 Where this Rule applies, the Trustee shall not apply to the Member's Pension Account during the Tax Year in question any of the excess contributions referred to in paragraph (d) of Rule 14.4.5 that are in excess of the Annual Contribution Limit and may be Minimum Contributions. Instead, the Trustee shall:

- (a) determine what amount of those excess contributions must be retained by the Scheme to avoid refunding Minimum Contributions (the "Retained Amount");
- (b) if the Retained Amount is less than the amount of the excess contributions, refund the balance of the excess contributions in accordance with Rule 14.3; and
- (c) hold the Retained Amount in suspense, apply it to the Member's Pension Account at the beginning of the next following Tax Year and for the purpose of the Annual Contribution Limit, treat it as if it comprised contributions made in that next following Tax Year. This Rule applies in a case where article 26 of the Order applies as well as in a case where it does not.

14.5 Disapplication of the Annual Contribution Limit

14.5.1 The Trustee may determine that article 22 of the Order does not apply in the Tax Year in which:

- (a) a Member dies; or
- (b) the Trustee's liability in respect of a Member is discharged pursuant to Rules 16, 18 or 23.

14.5.2 Except where Rule 14.5.1 applies, article 24 of the Order shall still apply to any contributions in excess of the Annual Contribution Limit and which do not fall within article 24(4) or article 26 of the Order.

14.6 Family Leave

If:

- (a) a Member is absent from employment with a Participating Employer due to maternity leave, paternity leave, adoption leave, parental leave or family leave;
- (b) contributions are paid by the Participating Employer in accordance with Rule 7.1.5 and/or the Member in accordance with Rule 9.6; and
- (c) such contributions (or any part of them) do not qualify as Minimum Contributions but would have so qualified if the Member had not been absent due to maternity leave, paternity leave, adoption leave, parental leave or family leave;

then, for the purpose of the provisions of the Scheme relating to the Annual Contribution Limit in their application to the Member, such contributions (or, if applicable, the part of them not qualifying as Minimum Contributions) shall be treated as if they were Minimum Contributions.

15. Investment

15.1 Consolidation etc of Investment Funds

- 15.1.1 If the Trustee decides to exercise the powers conferred by article 29(3) of the Order, it must notify the Members affected by that decision, explain the effect of that decision and invite the Members so affected to choose an alternative Investment Fund.
- 15.1.2 In the absence of any instructions from the Member following notification under Rule 15.1.1, the Trustee shall allocate the assets referable to the relevant Member's Pension Account to the Investment Funds referred to as default investment funds in article 29(5) of the Order.

15.2 Investment Funds: general

- 15.2.1 The composition of the underlying investments attributed to each Investment Fund shall be determined by the Trustee.
- 15.2.2 No Member shall be afforded any choice in relation to the composition of any underlying investment attributed to any Investment Fund.

 - (b) in the absence of a notification under (a) above,
 - (i) in the case of a Member born on or before 5 April 1955, the date the Member attains age 65;

- (ii) in the case of a Member born after 5 April 1955, the date the Member attains State Pension Age.

However, if, on the date the Member is first admitted to Membership, the Member has not given a notification under (a) above and has already attained the relevant age in (b) above, the Member's Benefit Age will be the day immediately before the Member attains age 75.

16.1.3 A Member's Benefit Age may be changed by the Member giving notice to the Trustee in such form, within such time limits and subject to any other restrictions as the Trustee may reasonably determine.

16.1.4 If a Member attains Benefit Age without the Member's Pension Account being applied to provide benefits under Rule 16, then unless the Benefit Age is the day immediately before the Member attains age 75, Benefit Age for the Member will become:

- (a) in the case of a Member who was born on or before 5 April 1955 and whose Benefit Age is under 65, the date the Member attains age 65; or

16.1.5 If:

- (a) a Member's Benefit Age has been changed under either Rule 16.1.4(a) or 16.1.4(c); and
- (b) the Member attains that later Benefit Age without the Pension Account being applied to provide benefits under Rule 16,

Benefit Age for the Member will become the day immediately before the Member attains age 75.

16.2 Commencement of benefits at Benefit Age

On reaching Benefit Age a Member shall be entitled to have an amount equal to the value of the Member's Pension Account applied to provide benefits for or in respect of that Member in accordance with Rules 16.4, 16.5 or 16.6.

16.3 Early commencement of benefits

- 16.3.1 A Member may give notice to the Trustee (in such form and within such time limits as the Trustee may reasonably require) requesting that the Member's Pension Account be applied to provide benefits for or in respect of that Member before the Member's Benefit Age.
- 16.3.2 The Trustee shall comply with such request provided that:
 - (a) such benefits will only be paid on or after the Member reaches Normal Minimum Pension Age; or

- (b) the Member:

- (i) provides evidence to the Scheme Administrator from a Registered Medical Practitioner which states that the Member is (and will continue to be) suffering from Incapacity; and
- (ii) certifies, in such form as the Trustee may require, that the Member has in fact ceased to carry on any occupation.

- (a) the Member may direct the Trustee to pay a cash equivalent transfer value in accordance with Rule 23.2; or
- (b) the Member may direct the Trustee to apply the Member's Pension Account to purchase a (but only one) Lifetime Annuity Policy in the Member's own name, such Lifetime Annuity Policy to be selected by the Member, provided that in the case of a Member to whom Rule 17.2 applies, that Member may only apply the Member's Pension Account in accordance with Rule 16.4.1(b).

16.4.2 The Trustee shall take reasonable steps to ensure that Members are aware of the provisions of Rule 16.5.

16.4.3 A Member may immediately before exercising the options at Rule 16.4.1(b) above elect in such form and manner as the Trustee may determine to commute part of the Member's Pension Account (not exceeding the Permitted Maximum) for a lump sum.

16.4.4 The Trustee shall make such arrangements for the payment of the lump sum under Rule 16.4.3 (including payment by an annuity provider as agent of the Trustee) as it sees fit.

16.4.5 The Trustee may make such arrangements and provide such information to Members as it shall see fit (subject to any restrictions imposed by law) in relation to the selection of an annuity and the provider of such annuity.

16.5 Default annuity

16.5.1 Subject to Rules 16.6 and 17, if the Member does not exercise either of the options set out in Rule 16.4.1 at least three months before the Member's 75th birthday the Trustee shall:

- (a) apply a proportion of the Member's Pension Account equal to the Permitted Maximum to provide a lump sum; and
- (b) apply the balance of the Member's Pension Account for the purchase in the Member's name of a (but only one) Lifetime Annuity Policy selected by the Trustee providing only for the payment of a single life non-escalating Lifetime Annuity to the Member and the Trustee shall notify the Member of the selection so made.

16.5.2 If a Member is traced after that Member's 75th birthday but does not exercise the option set out in Rule 16.4.1 within five months of the Trustee being notified of the Member's whereabouts, the Trustee shall apply the balance of the Member's Pension Account for the purchase in the Member's name of a (but only one) Lifetime Annuity Policy selected by the Trustee providing only for the payment of a single life non-escalating Lifetime Annuity to the Member and the Trustee shall notify the Member of the selection so made.

16.6 Total Commutation

- 16.6.1 The Trustee may commute a Member's Pension Account for a lump sum if the Member is aged under 75 and:
- (a) the Member provides evidence to the Scheme Administrator from a Registered Medical Practitioner which states that the Member is suffering from Serious Ill-Health and the payment would be a serious ill-health lump sum for the purposes of paragraph 4 of Schedule 29 of the Finance Act 2004; or
 - (b) the payment would be a trivial commutation lump sum for the purposes of paragraph 7 of Schedule 29 to the Finance Act 2004; or
 - (c) the requirements of either regulation 11 or 12 of The Registered Pension Schemes (Authorised Payments) Regulations 2009 are met.

16.6.2 The Trustee may commute a Member's Pension Account for a lump sum if the Member is aged 75 or over and the requirements of regulation 9 of The Registered Pension Schemes (Authorised Payments) Regulations 2009 are met.

16.7 Discharge of Trustee's liability

Following the purchase of an annuity in accordance with Rule 16.4 or 16.5 and/or the payment of a lump sum under Rules 16.4.3, 16.5.1(a) or 16.6 the Trustee shall be discharged from all further liability to provide the benefits secured by the annuity policy or in respect of which the Member has received a lump sum payment.

17. Unclaimed benefits

- 17.1 The Trustee shall take reasonable steps to verify the whereabouts or the continued existence of any Member who does not claim benefits under the Scheme, or who is not notified to the Trustee as having died, before the Member's 75th birthday.
- 17.2 If the Trustee is unable to verify the whereabouts or continued existence of any Member under Rule 17.1, the Trustee shall treat the Member's Pension Account as being held in suspense in accordance with paragraphs 11(6) and 11(7) of Schedule 28 to the Finance Act 2004 until the earlier of the following occurs:
- 17.2.1 the Member is traced and Rule 16.4 or 16.5 applies;
 - 17.2.2 Rule 17.3 applies; or
 - 17.2.3 the Trustee is notified of the Member's death and either Rule 18.1.1 or 18.2.1 applies.

17.3 If a Member's Pension Account remains unclaimed after that person has attained (or, if the Member had been alive, would have attained) age 105 and the Trustee cannot trace the Member, the benefit shall cease to be payable and the Member's Pension Account shall become part of the General Account.

17.4 The Trustee may later decide to pay any such benefit if claimed by the Member and the Trustee thinks fit to make the payment. The Trustee may determine in each case whether interest is payable on any such payment.

18. Death benefits

18.1 Death of a Member before age 75

- 18.1.1 On the death of a Member before age 75 the Trustee shall pay a lump sum equal to the value of the Member's Pension Account to the Member's Nominated Beneficiary or Nominated Beneficiaries in accordance with Rule 18.1.3 or, if applicable, in accordance with Rule 18.1.4.
- 18.1.2 A Member may only nominate a Nominated Beneficiary by completing such nomination form as the Trustee may prescribe. A Member may revoke a nomination only by completing and delivering to the Trustee such fresh nomination form as the Trustee may prescribe.
- 18.1.3 The lump sum referred to in Rule 18.1.1 shall be paid to such Nominated Beneficiary or Nominated Beneficiaries that the Member most recently notified to the Trustee in accordance with Rule 18.1.2. If the Member's most recent nomination is of more than one Nominated Beneficiary but the Member has not indicated in the nomination form how the lump sum

should be shared between them, the lump sum shall be paid to the Nominated Beneficiaries in equal shares.

- 18.1.4 If:
- (a) the Member does not notify the Trustee of any Nominated Beneficiary; or
 - (b) any Nominated Beneficiary cannot be identified or traced by the Trustee, having taken reasonable steps to do so; or
 - (c) a Nominated Beneficiary has predeceased the Member or, in the case of a body corporate, trust, charity, club or society has ceased to exist before the Member's death,
- then, subject to Rule 18.1.5, the lump sum payable under Rule 18.1.1 (or the share of it payable to the Nominated Beneficiary who cannot be traced or who has predeceased the Member or which has ceased to exist) shall be paid to the deceased Member's personal representatives.

18.1.5 If Rule 18.1.4 applies and the total amount due from the Scheme under Rule 18.1.1 is not more than £5,000 and there is no grant of representation in place, the Trustee may pay or apply the relevant amount to or between any one or more of the Member's Next of Kin.

18.1.6 If the death benefit payable under Rule 18.1.1 is not paid under Rule 18.1.3, 18.1.4 or 18.1.5 before the end of the period of two years beginning with the earlier of the day on which the Scheme Administrator first knew of the Member's death and the day on which the Scheme Administrator could first reasonably be expected to have

known of it, then any subsequent payment of that benefit shall be subject to Rules 19.1 and 19.2. If that benefit is not claimed within six years of the date of the Member's death, that benefit shall be forfeit and the remaining balance in the Member's Pension Account shall be transferred to the General Account.

18.2 Death of a Member on or after age 75

- 18.2.1 On the death of a Member on or after age 75 the Trustee shall apply a sum equal to the value of the Member's Pension Account in accordance with Rules 18.2.2 to 18.2.4.
- 18.2.2 Unless Rule 18.2.5 applies and subject to Rule 18.2.4, the Trustee shall apply the balance of the Member's Pension Account for the purchase of one or more Dependants' Annuity policies in accordance with Rule 18.2.3.
- 18.2.3 Each Dependant in respect of whom a Dependants' Annuity policy is purchased under Rule 18.2.2 shall have the opportunity to select a Dependants' Annuity policy. If the Dependant does not select a Dependants' Annuity policy, the Trustee shall select a Dependants' Annuity policy which makes provision for the payment of a single life non-escalating Dependants' Annuity and shall notify the relevant Dependant of the selection so made.
- 18.2.4 If the Member has no surviving Dependants, the Trustee shall apply the balance of the Member's Pension Account to pay a charity lump sum death benefit (as defined in paragraph 18 of Schedule 29 to the Finance Act 2004).

18.2.5 The Trustee may commute the Member's Pension Account for a lump sum death benefit if the Member dies on or after age 75 and the requirements of regulation 9 of The Registered Pension Schemes (Authorised Payments) Regulations 2009 are met.

18.3 Discharge of Trustee

On payment of a lump sum or the purchase of an annuity policy under this Rule 18 the Trustee shall be discharged from all further liability to provide benefits in respect of the Member on whose death the benefit was paid.

19. Finance Act 2004: General provisions

19.1 Requirements of registration

Nothing in these Rules shall entitle any person to a payment made to or in respect of that person under the Scheme which is not an authorised payment within the meaning given by the Finance Act 2004 and the Trustee shall be entitled to modify any payments accordingly.

19.2 Unauthorised payments

Notwithstanding Rule 19.1, the Trustee may make a payment which by virtue of section 160 of the Finance Act 2004 would be an unauthorised payment.

19.3 Pension Input Periods

19.3.1 The nominated date for each Member for the purposes of section 238(1)(a) of the Finance Act 2004 is the 31 March following that Member's relevant commencement date, as defined in section 238(2) of the Finance Act 2004. This Rule 19.3.1 constitutes a nomination by the Scheme Administrator for the purposes of section 238(3) of the Finance Act 2004 and notice to each Member given by the Scheme Administrator for the purposes of section 238(4) of the Finance Act 2004.

19.3.2 The appropriate date for each Member for the purposes of section 238(1)(b) of the Finance Act 2004 is the 31 March in each year after the year in which the nominated date referred to in Rule 19.3.1 falls. This Rule 19.3.2 constitutes a nomination by the Scheme Administrator for the purposes of section 238(3) of the Finance Act 2004 and notice to each Member given by the Scheme Administrator for the purposes of section 238(4) of the Finance Act 2004.

20. Provision of information

Members and those claiming through them shall provide all information and supporting evidence to establish the benefit and their entitlement to it as the Trustee may require and the Trustee may withhold benefits pending receipt of the required information.

21. Incapacity of beneficiary

If any Member, Nominated Beneficiary or other person entitled to a benefit under the Scheme is, in the opinion of the Trustee, unable by reason of minority, mental disorder or otherwise to manage that person's own affairs, the Trustee may pay the benefit to any other person for the benefit of that beneficiary and the receipt of the person to whom the benefit is paid shall be sufficient to discharge the Trustee from its obligation to pay the benefit.

22. Transfers in

- 22.1 The Trustee will not in any circumstances accept into the Scheme any transfers made:
- 22.1.1 in relation to Great Britain, under section 73(2)(a)(i) of the 1993 Act; or
- 22.1.2 in relation to Northern Ireland, under section 69(2)(a)(i) of the 1993 NI Act.

22.2 The Trustee may accept a transfer of a cash sum:

- 22.2.1 in relation to Great Britain, within the meaning of section 101AB(3) of the 1993 Act, used in the way described in section 101AE(2)(a) of the 1993 Act in respect of a Member; or
- 22.2.2 in relation to Northern Ireland, within the meaning of section 97AB(3) of the 1993 NI Act, used in the way described in section 97AE(2)(a) of the 1993 NI Act in respect of a Member.

22.3 Any transfer accepted into the Scheme under this Rule 22 or Rule 24.3 shall be applied to the credit of the Member's Pension Account.

23. Transfers out

- 23.1 The Trustee will not in any circumstances make any transfers from the Scheme:
- 23.1.1 in relation to Great Britain, under section 73(2)(a)(i) of the 1993 Act; or
- 23.1.2 in relation to Northern Ireland, under section 69(2)(a)(i) of the 1993 NI Act.
- 23.2 Subject to Rules 23.3 to 23.5, at the request of a Member who has attained Normal Minimum Pension Age or who is suffering from Incapacity and who has become entitled to benefits under Rule 16, the Trustee will transfer the cash equivalent of the entirety of that Member's Pension Account to a Registered Pension Scheme or a Qualifying Recognised Overseas Pension Scheme nominated by the Member, in accordance with the provisions of the Transfer Values (Disapplication) Regulations or the Transfer Values (Disapplication) Regulations NI.
- 23.3 A request under Rule 23.2 must take such form and be made within such time period as the Trustee shall determine.

23.4 The Trustee may require the Member to provide details about any scheme nominated under Rule 23.2 in such form as the Trustee may determine.

23.5 The Trustee shall only effect a transfer under this Rule 23 in respect of the entirety of a Member's Pension Account (including any part of that Pension Account attributable to a Pension Credit).

24. Pension sharing on divorce

24.1 Discharge of Pension Credit derived from the Scheme

This Rule 24.1 applies in the circumstances referred to in article 31(1)(a) of the Order, which, for the avoidance of doubt, is where a Member's Pension Account is subject to a Pension Sharing Order.

24.1.1 Unless the Ex-Spouse makes a request under Rule 24.1.2, the Trustee shall discharge its liability in respect of a Pension Credit of an Ex-Spouse by conferring appropriate rights on the Ex-Spouse under the Scheme:

- (a) in relation to Great Britain, in accordance with paragraph 1(2) of Schedule 5 to the 1999 Act; or
- (b) in relation to Northern Ireland, in accordance with paragraph 1(2) of Schedule 5 to the 1999 NI Order

24.1.2 The Trustee shall at the request of the Ex-Spouse discharge its liability in respect of a Pension Credit by paying an amount equal to the Pension Credit to the person responsible for a Qualifying Arrangement with a view to acquiring rights under that Qualifying Arrangement for the Ex-Spouse -

- (a) in relation to Great Britain, in accordance with paragraph 1(3) of Schedule 5 to the 1999 Act; or

(b) in relation to Northern Ireland, in accordance with paragraph 1(3) of Schedule 5 to the 1999 NI Order,

provided that such request shall be made within such period of the making of the Pension Sharing Order as the Trustee shall determine.

24.1.3 If an Ex-Spouse dies after a Pension Sharing Order is made but before it is implemented by the Trustee, death benefits will be payable in respect of the Ex-Spouse as though the Pension Sharing Order had been implemented in accordance with Rule 24.1.1.

24.1.4 For the avoidance of doubt, a Pension Sharing Order will not be regarded as having been implemented for the purposes of Rule 24.1.3 until:

- (a) in cases to which Rule 24.1.1 apply, the Pension Credit has been credited to the Ex-Spouse's Pension Account; or
- (b) in cases to which Rule 24.1.2 apply, the amount equal to the Pension Credit has been paid to the Qualifying Arrangement.

24.2 Rights and Benefits

24.2.1 An Ex-Spouse in respect of whom a Pension Credit is discharged under Rule 24.1.1 and who is not already a Member shall be admitted to Membership.

24.2.2 An Ex-Spouse in respect of whom a Pension Credit is discharged in the Scheme under Rule 24.1.1 shall, so far as is permitted by law, be entitled, in respect of the Pension Credit, to the same benefits (including death benefits) payable in the same circumstances, as a Member admitted to membership under Rule 8.

24.3 Acceptance of Pension Credit Rights from another scheme

In accordance with article 31(1)(b) of the Order, the Trustee may accept a payment in respect of a Pension Credit in accordance with Rule 22 for a person who is already a Member.

24.4 Identification of Benefits

The Trustee shall separately identify within each Member's Pension Account the Pension Credit Benefits attributable to that Member (including any such benefits transferred into the Scheme or into a Member's Pension Account under Rules 24.1.1 or 24.3).
