# Introduction

NEST delegates its voting activities to its fund managers for the following funds: BMO Responsible Global Equity Fund, HSBC Economic Scale Index Emerging Markets Equity Fund and HSBC Amanah Global Equity Index Fund, Northern Trust Emerging Markets ESG Equity index Fund, and UBS Life World Equity Tracker Fund. Each quarter we publish a Voting Report setting out how all our fund managers have voted. The report shows where our fund managers voted and on what issues they voted on.

NEST works closely with our fund managers to help us support good corporate behaviour. We closely monitor a subset of shares, referred to in the report as “Active Monitoring List”, by looking at how our fund managers voted in comparison to our own [Voting Policy](#). Where we don't agree on how our global equity fund manager plans to vote on an issue we feel strongly about, we can override this and vote in accordance with NEST's views.

You can find out more about our engagement activities and fund manager monitoring on our responsible investment [website](#).
